

## Financing options

Not all auto repairs are expected. In fact, most major repairs are definitely unexpected. It sure seems like unexpected repairs always show up when your bank account least expects it as well!

Jimyz automotive understands this and thru its affiliation with NAPA now offers financing to all its customers.

Whether you are strapped for cash, or you just want to take advantage of our interest free financing, we can accommodate you needs.

With a completed application, we can usually have an answer for you in as little as 5 minutes, and with approved credit funding is available to you immediately.

There are many benefits to applying for and receiving a Jimyz automotive credit card.

1. Your repair warranty is automatically doubled to 24 months or 24,000 miles
2. You receive roadside assistance for the first year.
3. Interest free financing

If you already have a credit card from another repair facility, you may be able to use it at Jimyz! Check for the carcare one logo or the GE money bank logo. NTB cards, for example, are issued by the same bank and are good at any registered repair facilities.
